PIZZA SHOP'S RACY ADVERT BANNED FROM CHURCH WEBSITE

A PIZZA company has been BANNED from advertising on a parish magazine website after it directed readers to a XXX-rated photo feature to plug its tasty grub.

By SIMON DEAN
simon@sundaysport.co.uk

Luigi's Best Pizzas took out a £50 online ad on the Harrington Magna, Devon, parish newsletter website.

But when readers "clicked" on the ad, they were taken to a spicy photo set of two busty babes slurping pizzas – and each other's big busters!

Last night Pru Phelps, parish clerk and editor of Harrington Magna News, said: "The vicar phoned me in the middle of the night to tell me a parishioner had been on the parish website and found this – well – pornography.

"Needless to say the ad has been removed and we will not be soliciting any more adverts from Mr Luigi, thank you very much."

Luigi Marcello, boss of Luigi's Best Pizzas, last night blamed "technical difficulties" for the blunder.

SPECIAL DELIVERY: Babes look innocent in pizza ad

Temperatures of 13C in London, 14C in Cardiff, 14C in Manchester, 13C in Belfast and 12C in Edinburgh.

Tomorrow will start off a bit gloomy all over but will clear up so everyone gets a swathe of sunshine. Cooler, mind.

OUTLOOK: Warmer.

Russian tarts take p*ss out of footie fans

FOOTBALL fans heading to Russia for the World Cup this summer will be offered a £500 "Double Trump" sex show by enterprising prostitutes.

Desperate to get their hands on hard currency, hookers are teaming up in pairs to recreate an alleged lesbian show that the U.S. President enjoyed in Moscow in 2013.

According to former Brit spy Chris Steele, Russian security services had obtained compromising material on Trump.

Part of this material allegedly includes film of Trump watching two prostitutes URINATE on each other on a bed at the Moscow Ritz hotel that President Obama and wife Michelle had once slept on – which he denies.

Now randy footie fans can also watch their own kinky watersports show.

A Moscow vice queen said: "This is a competitive business and you need to have an edge. All Russian prostitutes are pretty – the ones in Moscow, at least. So we need to give our girls an edge. That edge has been provided by Trump and his fetish for the piss.

"A 'Double Trump' will cost five hundred English pounds. Ha!"

Iranians demand 'Death' rant dues

CHEEKY Iranians have COPYRIGHTED their tiresome "Death To America" chant – and anyone now using it will technically have to pay royalties to Tehran!

Hotheads in the Islamic Republic have been reciting the mantra since the 1979 revolution.

Now the crafty Persians have cottoned on to the fact that hard foreign currently can be made from left-wingers in the West who are also fond of wishing harm on the USA.

Tehran last week applied to the International Copyright Court and any non-Iranian now using the slogan "for commercial gain" will have to pay between $1 to $10.

We don't want to see your house . . . just show us yer tits

I bet that piano could tell some good stories

SHOWING OFF: Amanda poses by a grand piano

Who cares what your house looks like, let's see your t%ts.

Now that is one tasty bit of strumpet. I'd tend to her garden any day of the week

BRITAIN'S Got Talent **judge Amanda Holden gave fans an inside look at her Surrey home on social media – and was showered with plaudits.**

But if the 47-year-old was expecting nothing but compliments about her posh furnishings, she was in for a shock.

Polite

Because while many went online to praise her newly-renovated home, others were less than polite.

One commenter said: "Who cares what your house looks like, let's see your tits."

Another suggested that Holden's grand piano could "tell some stories".

And yet another asked if "bob The Builder" had carried out Amanda's renovation work.

Bob The Builder, of course, is voiced by former *Boon* star Neil Morrissey – with whom Holden had an affair while she was still married to loveable TV host Les Dennis.

MONDAY

THE former Manchester United manager Sir Alex Ferguson is said to be doing well after suffering a brain bleed over the weekend.

He was even visited by his former player Wayne Rooney, who has never been shy when it comes to a pensioner having a stroke.

Doctors urged caution, saying the road back to full health for Sir Alex will be long and hard. Some days he'll feel moody, snappy and angry. But on other days he just won't feel like himself.

TUESDAY

MANAGERS at Donald Trump's Scottish golf club upset the locals by banning their national beverage, Irn Bru, from the premises.

They say it's cheap, nasty and horrible shade of orange which leaves a mess wherever it goes.

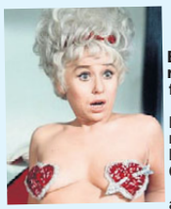
And it gets angry if you spill Irn Bru on its carpets.

WEDNESDAY

TALKING of fizzy pop, new research finds that soft drinks served at major cinema chains across the UK contain high levels of bugs like Salmonella and Listeria.

And you thought it was just the price that made you puke.

THURSDAY



BRITISH icon Barbara Windsor reveals that she is suffering from dementia.

She found fame in the 60s by having a cracking set of norks, which later grew into her screen sons, Phil and Grant Mitchell.

The illness is said to have affected her performance on *EastEnders*, as she began to forget her line. (Psst, Babs, it's "Get outta my pub!")

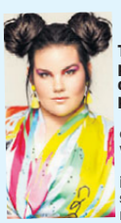
FRIDAY

A COSMETIC surgery expert once dubbed "best at Botox" by Tatler magazine is accused of bugging her patients' conversations.

Her rich and famous clientele are said to have mixed emotions about the news.

Sadly they are only able to express one of them –which appears to be "mildly startled".

SATURDAY



THE Eurovision song contest takes place in Lisbon – but the event is dominated by the Israeli singer Netta pretending to be a chicken.

Apparently the song is a howl of outrage about men perving over women.

LISTENERS to BBC Radio 5 Live last Tuesday would have recognised the name of one of the guests – *Sport* babe Gemma Massey!

Gemma, 33, was talking to host Chloe Tilley about the dangers of so-called tanning injections.

The Tamworth stunna told horrified BBC listeners on the morning show how she developed pus-filled abscesses after trying to administer the bronzing jabs herself.

But she's no stranger to sticky white fluids…

Because listeners were NOT told the 32E beauty has made almost a DOZEN hardcore spunk-splattered porn movies, including *Katwoman XXX*, *Lesbian Car Wash*, *Passenger 69* and *Titney Spheres*.

Climax

In one four-girl LESBIAN movie, Gemma has her moist parts FINGERED and LICKED by other lusty ladies until she orgasms.

In another ORGY movie, Gemma and two other girls share two guys for an ALL HOLES sex extravaganza.

At the messy climax of one scene, Gemma is left gulping down salty semen - straight from the cock!

A BBC insider said: "We said she was a glamour model. A see-it-going-in, cum-shower porn star would be more accurate!"

W**k scene best Bridge bit for Sofia

THE Bridge beauty Sofia Helin says her fave scene in the hit Scandi drama is where her oddball character has a dirty WANK!

Sofia plays brilliant-but-mildly-autisic lady cop Saga Noren in the hit show, which returned to the BBC for a fourth series this weekend.

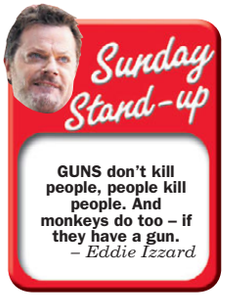
And when asked about her favourite scene playing the fascinating character, she didn't hesitate.

Sofia (*above*) – who revealed her MINGE in the last series – said: "I love the scene where she's masturbating after her then boyfriend refuses to have sex with her because his mother is in the bedroom next door.

"That scene was amazing in its frankness and humour."

Asked if it raised eyebrows even in mega-liberal Sweden and Denmark – the two countries who co-produce *The Bridge* – Sofia said: "Yes, it's still shocking."

The show is on Fridays on BBC2 for this final season.



Cleaver threats woman tasered

A WOMAN was tasered by cops after she threatened to chop off her neighbour's HEAD with a meat cleaver, a court heard.

Clair Louisa Reid, 38, initially dialled 999 to complain about the noise coming from next door's flat in Blacon, Chester.

But when officers arrived she made threats before grabbing a cleaver from her kitchen and taking steps towards the cops, who then shot her with the stun-gun.

Chester Magistrates Court heard that she is a vulnerable and socially isolated alcoholic.

She was sentenced to 12 weeks in prison, suspended for 18 months, and must carry out a 35-day rehabilitation activity requirement and three-month alcohol treatment requirement.

Reid must pay a £115 victim surcharge as well as £85 court costs.

MEET QUIZ HOST'S No.1 FAN/STALKER

I want to feel Jezza's fast fingers

SUNDAY SPORT EXCLUSIVE By PENNY MARSHALL news@sundaysport.co.uk

WHEN Jeremy Clarkson was given the boot from *Top Gear* for twatting that producer back in 2015, no-one mourned his passing more than busty Brenda Harrison.

The 67-year-old widow had to make do with repeats of the car show on Dave to get her fix of the motormouth controversialist – as she was unwilling to pay the Amazon subscription which would allow her to see Clarkson's new show *The Grand Tour*.

But now Brenda is totally cock-a-hoop – and frothing at her granny fanny – as Jezza's back on terrestrial TV hosting *Who Wants To Be A Millionaire?*

Brenda, of Thirsk, North Yorks, said: "Oooh, he's my ideal man is Jeremy Clarkson.

"He's just like my late husband Tony. He were a big brute of a man. Oooh!"

Lesbians

The gran-of-four admits she "knows next to nothing" about cars, yet never missed an episode of *Top Gear* while Clarkson, 58, was hosting.

She said: "I drive a Ford Fiesta myself. I've never been a big car nut but I just liked to hear Jeremy being rude about foreigners and lesbians and saying that whole '…in the world…' thing.

"Oh, I'm getting wet just thinking about it.

"Now that he's on *Millionaire*, I'm in seventh heaven. Talk about 'fastest finger round'! I'd like to feel Jezza's fast fingers – on my quim!"

Brenda says she's sent "loads" of letters and nude photos to the 6ft 5in hunk but has yet to receive a reply.

NO REPLY: Jezza has yet to responded to Brenda's letters

She said: "I thought that if I got my boobs out in *Sunday Sport* and told of my feelings, he was more likely to respond. I hope he does. He could have a have a go on my back bottom if he likes – that's how much I fancy him."

Clarkson is serving as the host of ITV's revival of *Who Wants to Be a Millionaire?*, which premiered on May 5.

He takes over from original host, Chris Tarrant, who sat in the quizmaster's chair between 1998 and 2014.

Kim Jong-un's Shrine to 'Lovely Mr Donald'

By BRAD CHADWICK news@sundaysport.co.uk

NORTH Korean leader Kim Jong-Un has developed a soppy boy-crush on DONALD TRUMP, we can reveal!

And the tyrant even has a SHRINE to the 71-year-old leader of the free world in his Pyongyang palace, according to insiders.

A North Korean source said: "Mr Kim says that the President is 'geodaehan' – a Korean compliment that means 'mighty'.

"He ordered one of the state rooms at his palace to be cleared and then had functionaries plaster the walls and ceiling with pictures of Donald Trump.

"He sits in there for hour after hour reciting, in English, 'May your power and wisdom guide me, Donald.'

"He's been practising what he's going to say to Mr Trump and learning English phrases. He's even stopped watching his favourite TV show, *Emmerdale*, so he can watch episodes of the US version of *The Apprentice*, that Trump used to host.

Smitten

"The man's smitten. It's a real boy crush. He calls Trump 'Lovely Mr Donald'."

Mr Trump stunned the world last month when he brokered a meeting between Kim, 36, and South Korean leader Moon Jae-in on the border between the two countries.

A summit between Kim – who had menaced the world with his nuclear ambitions – and Mr Trump is now just days away.

Secretary of State Mike Pompeo, was in Pyongyang last week to arrange the planned talks.

Mr Pompeo also brought back three U.S. citizens who had been imprisoned by North Korea.

President Trump is in the running for a Nobel Peace Prize for bringing hope to the Korean peninsula.

THE VOICE OF YOUR BRITAIN

Police need to purr-sue real crims!

CAN a cat be guilty of a crime?

More specifically, can a cat be guilty of a hate crime?

That is a question exercising Frank Barnard of Basildon, in Essex, who is in trouble – thanks to his cat Mosley.

Mosley is not in trouble for savaging postmen or biting kids.

He has attracted the attentions of the law thanks to his habit of performing the "Nazi salute".

Now, there is no doubt that the gesture is hugely offensive.

But can we really blame a dumb animal for copying a salutation seen a thousand times each year on TV screens on everything from 'Allo, 'Allo to Raiders of the Lost Ark?

It is particularly troubling that Mosley faces a DEATH SENTENCE for his behaviour.

Yes, Mosley's behaviour may be upsetting to some passing members of ethnic minorities and most "snowflakes".

But there are REAL criminals out there for the authorities to pursue.

Let this cat live!

Rose bush gig takes the Fizz

ROSE West ripped off her skirt to reveal a "giant bushy minge" during a Eurovision Song Contest party tribute to Bucks Fizz.

It's a revolting image.

But it begs a deeper question.

Why is this monstrous woman allowed to "party" in "fancy dress" at all?

In a saner Britain, West would have swung at the end of a rope... not boogied the night away at the taxpayers' expense!

Oh, cam off it!

A BRITISH OAP faces a police probe – and potentially a jail term – after teaching his budgie to carry a tiny camera on its head and film his student neighbours getting undressed.

It's no wonder Britain is falling behind in the technological race.

Horse-cock guard faces jail for BJs with lags!

A PERVY prison guard was caught – because of his massive COCK!

Eugenio Perez, 47, a guard at Metropolitan Detention Center in Brooklyn, New York, "took advantage of his position and the women he was supposed to be protecting," said Assistant U.S. Attorney Taryn Merkl.

Inmates said Perez, nicknamed "Caballo" – Spanish for "horse" on account of his "outsize member" – forced inmates into oral sex.

Merkl said the women's accounts were bolstered by their similar descriptions of Perez's penis, which authorities photo'd while investigating.

Assistant U.S. Attorney Nadia Shihata countered that the self-proclaimed "horse" "treated the inmates like they were his stable. Those women were not in prison to serve his desires."

But Perez's lawyer, Ken Montgomery, told jurors to scrutinise the womens' testimony instead of getting caught up in the case's emotions.

"All these witnesses have a reason to lie and fabricate," he said.

If found guilty, Perez faces life in prison.

Lard mountain melt causes 'fat tsunami'

MORE than 500 homes are at risk from a "tsunami of fat" as recent hot weather has melted Britain's share of the EU LARD mountain which is now in "imminent danger" of collapsing.

The vast pile of lard – which has built up over the years, as housewives swapped to "healthier" cooking fat – has been part of the scenery at Shapton, near Leicester, since 2003.

Now nearby residents have been warned that "increased fluidity" in the lard is "of growing concern" to authorities and that while retaining walls are "still viable, the situation is being closely monitored".

Last night union leaders blamed Brexit and the Tories for the impending "lardy" disaster.

Spokesman Len Gough said: "Because of Brexit, the Tories have cut funding to the Shapton Rendering Depository.

"It's now an accident waiting to happen.

"We are faced with half of Leicestershire getting buried in three feet of lard – that is exactly what eight years of Tory austerity looks like."

MEOWN KAMPF

Cat looks like Hitler AND he's a NASTY bastard

OWNER: Frank

MEET Mosley the cat – who looks like Adolf Hitler and won't stop doing a NAZI salute!

The seven-year-old black and white moggy also has the unpleasant habit of "doing his business" on the slide at the local orphanage.

Mosley's owner, plumber Frank Barnard, of Basildon, Essex, says he's at his wits' end with the mog's "Sieg Heil" antics – especially since he was served with an ASBO banning him from letting the cat make the offensive gesture to passersby.

Divorced Frank, 55, said: "I have absolutely no idea where Mosley learned to make that gesture.

"When he started doing it, he became a celebrity and people would come to my front window to have a look.

"But one day a passing member of the Labour party saw him and, not unnaturally, took offence.

"I got a visit from the community warden who said Mosley's behaviour was 'unacceptable in a multi-cultural area' and I had to stop him doing it.

"Have you ever tried to stop a cat doing something? Impossible.

Hate

"After that, Mosley attacked Mr Patel from a nearby shop and I got taken to court and accused of hate crime.

"That charge was dropped and replaced with 'having a cat out of control'.

"I was given an ASBO and told that if Mosley did not behave himself, he would be destroyed."

Frank added: "There is no way I'm going to let them take Mosley away to be killed.

"In fact, I'll twat him to death with a hammer myself before I let them do that."

Frank insists he hold no far-right views himself and claims his cat is named after Ian Mosley, drummer in the British rock band Marillion, and not the one-time leader of the British Union of Fascists, Oswald Mosley.

The plumber said: "I'm mortified by Mosley's behaviour.

"But it's a bit much that a ruddy cat could be threatened with execution just because his views don't chime exactly with the lily-livered, liberal London elite."

SEX ORGIES BBC MANSI

LOVES IT: 'Sarah' says the orgies are an easy way to make lots of cash, especially if you are a sex lover

BRITAIN is rightly known as the home of the country mansion.

There's barely a parish in the land that is not home to a grand house built in long-ago times when Britain was a world power and the richest nation on earth.

Many of the finest homes were demolished after the First and Second World Wars as spiteful socialist governments confiscated the wealth of the rich. Even now, many of the country piles that survive struggle to pay their way.

Aristocrats have found many innovative ways to raise the money necessary to maintain country houses.

Some have thrown open their family seat to the public or donated them to the National Trust.

Others have opened zoos, motor museums, and held music festivals or garden exhibitions. But the latest wheeze being exploited by toffs is pulling in thousands...SEX PARTIES!

Nouveau-riche millionaires are happy to pay THOUSANDS for an orgy with high-class hookers in the opulent surroundings of a country mansion.

EXCLUSIVE
By JANE PARK

Discreet

An increasing number of high-end, hyper-exclusive sex clubs are being set up across the country. Their clientele is young, rich, highly-sexed and keen for discreet fun.

And you don't get much more discreet than private country estate where the nearest public road is two miles down a private drive.

I was invited to one of these parties to write a *Sunday Sport* feature, but with several strict conditions: I took no photos, I did not reveal names, and that I didn't reveal the location of the orgy.

What I *can* say is that if you are a fan of BBC costume dramas, you WILL have seen this country house on the telly, for as well as hosting sex parties, it's also used as a location by TV and film crews.

But there were no cameras when I attended the sex party this month.

There were several familiar faces from the world of showbusiness, and there were at least four people from the Sunday Times Rich List.

But, as I said, I could reveal no names of attendees.

What I *could* do was talk to one of the working girls whose job it is to cater for EVERY sexual whim of the well-heeled party guests – and chat to Marcia Forbes, the extraordinary woman who runs the business...

THE SEX QUEEN

SARAH – not her real name – is 29 and has been an "orgy girl" for the past three years.

The 34B beauty started off as a porn actress and has starred in more than 40 see-it-going-in movies, specialising in anal sex and rowdy gang-bangs.

She told us: "My most extreme movie to date was for a European studio.

"It involved me taking two cocks deep in my arse while three more guys pissed in my face before spunking all over me.

"Believe me, when you've done a scene like that, you can do anything."

Sarah explained that she was approached by Marcia, who had seen her movies and admired the way she could deal with A LOT of cock.

Ease

She said: "It's true to say that there are a lot of chancers in this business, men who want something for nothing.

"When Marcia approached me, I was put at ease because she was a woman and a person whose approach was professional and above board.

"She said she had a new-ish business up and running and needed some models to help it go with a bang.

"She explained she was running a high-end orgy club, and held events in posh country houses.

"The men were all charged a small fortune to attend and she needed to make sure there were more women than men at the event so all the men got a f**k.

"That's where I came in. I jumped at the chance. Making porn movies is lucrative, yes, but it's really not as easy to do as it looks.

Cocks

"You can be on set for up to 18 hours a day, and having cocks up your arse for that long is no walk in the park, believe me!

"Marcia said that her orgies would last for six hours, max, and that I'd get £600 plus expenses, per job.

"What's more, I'd get to visit some really nice places. With the best will in the world, the places where most porn movies are shot are not the loveliest in the land!"

Sarah said she had no idea what to expect when she pitched up at her first orgy. She said: "I was told I'd be naked all night apart from my stockings and suspenders so I made sure my pussy was fully shaved and my pussy lips nicely moisturised with fragranced oils.

"To be crude but honest, my c**t looked good enough to eat."

Sarah added: "The place where the orgy was being held was out in the Hampshire countryside, so I drove down the M3 and the satnav took me to this gorgeous mansion.

Penetration

"It was absolutely awesome and looked like one of the National Trust places my nan used to take me when I was a kid.

"Marcia met me at the door – this was about an hour before the event was to begin. She gave me and two other 'newbies' a pep talk and told us what the drill was.

"It was simple – shag anyone who wasn't getting a shag."

Sarah was also told of the rules.

She said: "First and foremost is that it was to be all safe sex. Absolutely no penetration without protection. So we were given a little bag stuffed with condoms.

"Marcia checked we were all happy to do anal and oral without condoms – subject to our own discretion. By that point, I was already wet and longed to feel some hot spunk in my mouth."

She added: "We were there to meet the guests – there were six of us models there and we were all starkers. It was bloody cold by the front door and my nipples were rock hard.

Rimming

"The guests had a few drinks and were down to business within minutes. They don't waste time, these toffs.

"Within half an hour, I was bent over a sofa, sucking off a VERY well known TV personality while an Arab businessmen fingered my arsehole before rimming me.

"I had so much cock that night – and pussy, too. At least four women licked me out. That's truly something I love.

"We had to work hard and there were literally no breaks. I went off to the loo at one point and a guy gave me £200 as 'a tip' just to watch me piss.

"I held open my pussy for him as I peed and he was wanking like mad. Easiest £200 I've ever made!"

Sarah is now one of Marcia's top go-to girls.

She said: "I'm reliable, I like sex and I'm a filthy little bitch. It's like getting paid for my hobby on the set of *Downton Abbey*. I love it!"

S AT THE ON

SWANKY: Our reporter was not allowed to take pictures at the orgy she was invited to, but she did get to witness outrageous sex scenes like these

THE ORGANISER

MARCIA Forbes is an Oxford English literature graduate who worked in publishing for 10 years before jumping into the sex business.

Married at 25 and divorced eight years later, Marcia is now 38, single and happier than ever.

And one of the reasons for her happiness is that her business venture is making her money.

Lots of it!

She explained: "I'd not long been divorced and it struck me that I really, really wanted a fk – sorry to be blunt.**

Control

"I didn't want a relationship and I wasn't into going to a pick-up bar for a one-night stand. There are a lot of loonies out there.

"Of course, this was years before Tinder.

"The idea of some kind of high-class swinging site came into my head but I discounted it. I wanted something where I could control the exclusivity – to make sure whoever was in my club was 'my kind of person'.

"As luck would have it, the movie *Scandal* – about the Profumo Affair – was on TV and I was watching it.

"Back then they still had the big country house parties and it seemed they were little more than orgies.

"That gave me an idea. How about having a sex club where members met up every few weeks in a super-exclusive venue for a night of – well – fking?**

"It would be closely vetted. I wanted beautiful, well-off people with good manners and who looked after themselves.

"Fat businessmen could go elsewhere – no matter now much they had in the bank.

"My friends told me it would never work as the people I was targeting would have no problem getting sex partners.

"I explained that this was not so much a lonely hearts club, it was an out-and-out orgy club.

"We were to be catering for people who wanted group sex with like-minded people in plush surroundings.

Unique

"It was going to be exclusive and that meant expensive. But I think what I provide is value for money, a genuinely unique sexual experience."

Marcia held her first orgy five years ago at a fine Georgian townhouse in central London.

She said: "I'd spent six months building up a database of suitable people and then sent out the invitations.

"The cost of the orgy was £2,500 per man but I decided that women could come for free.

"I needed to pay for the rent of the venue, catering and 10 high class working girls. I needed to make sure that if guys were paying that much there needed to be a women for them to fk.**

"Interestingly, one of the girls I hired that night has since gone on to become a rather well-known catwalk model!

Two days before the orgy, I'd only had five people sign up. I faced ruin.

"But in the last 24 hours, 30 people signed up and the night was a huge success.

Intoxicating

"I walked round that night and was pleased to see there were naked bodies everywhere, writhing in ecstasy. The smell of cum and hot ct was quite intoxicating.**

"Word spread and soon I had more than 800 people on my database.

"There are usually between 150 and 250 people at each orgy now. That makes for quite a hefty injection of cash into the business for each orgy.

"I don't want to rest on my laurels or get complacent. I know that mine isn't the only club in town but, as far as I'm concerned, it's the best."

Motorhome crashed as driver was brewing up

A WOMAN crashed her new luxury motorhome – after switching on the cruise control and leaving the wheel to make a cup of TEA.

Delores Smith had spent $18,000 on the second-hand van and was driving it for the first time when the accident happened.

A court heard how the 62-year-old, of Boise, Idaho, had spent her life savings on the 15-year-old, four-berth vehicle.

But two days later it was written off when it veered out of control and hit a tree.

Pleading guilty to careless and reckless driving, Smith claimed she had been confused by what cruise control actually meant.

She told the court: "I thought it was like an autopilot that you get on aeroplanes.

"I turned it on at what I thought was a sensible 40mph, then stepped away from the driver seat into the back of the van to make a cup of tea.

"Seconds later, we crashed.

"I presumed cruise control worked with the sat nav to negotiate the roads safely. I've learned my lesson."

She was banned from driving for two years and fined $1,000.

Sex class teacher tugged as he talked

SHOCKED pupils spotted their teacher WANKING during a sex education class.

Supply teacher Ryan Quitinsky, 25, was discussing sex and pornography with a group of 15-year-olds at Pennridge High School in Pennsylvania when one student spied him having a sly one over the thumb.

In the commotion that followed, headmaster John Davies came to investigate.

He said: "Several pupils claimed Mr Quitinsky had been engaged in inappropriate behaviour. As per school guidelines, he was escorted from the premises and the police informed."

Quitinsky *(above)* has been charged with disorderly conduct and corrupting minors.

TOO DRUNK TO DRIVE ... SO I BONKED A HORSE!

CHARGED: Michael Jemison and a mare like the one who gave him a 'sex look'

By BRAD CHADWICK news@sundaysport.co.uk

A PERVERT told cops he shagged a horse called Madge because he didn't want to get caught DRINK-DRIVING!

Michael Ray Jemison said he didn't want to drive home after a drinking session, so decided to "borrow" Madge – a white mare – from the stable next door to a bar he'd been in.

Jemison told cops that once inside Madge's stall, "the urge kinda took" him as the animal "gave me a sex look".

The oddball was caught on CCTV scuttling the animal, before fleeing the scene on foot.

Asleep

Stable owners called cops in Jackson, Tennessee, after seeing Jemison flee and later watching the security tape.

He was eventually caught asleep in his own back garden and arrested.

Madison County Sheriff John Mehr confirmed that Jemison, 30, was charged with two counts of sexual activity with an animal, two counts of burglary and evading arrest.

Jemison is being held at the Madison Co Criminal Justice Center.

He has previous convictions for being a nonce.

A police source said: "In 30 years as a lawman in Madison Co, I thought I'd just about seen and heard everything on God's lovely Earth.

"But blaming an innocent horse for giving you a 'sex look'? Back in the old days, before Washington came down here with that 'civil rights' tomfoolery, this fella would find himself hanging from a tree!"

Same-sex bonking common in insects

BOFFINS have concluded that male insects which mate with other male insects are not gay, or even bisexual – they are just a bit CRAP.

More than 100 species of insects engage in some kind of same-sex mating, and in some species it is more common than heterosexual mating.

Scientists at the School of Biological Sciences at the University of East Anglia found that within populations of mostly female beetles, the males were much more likely to shag other males.

Where there was much less pressure to find the right mate, the beetles made more mistakes, which are not so costly for reproductive success.

BEAST'S DISGUSTING BUCKS FIZZ STUNT

Rose West whips off her skirt at prison Eurovision party…and shocks lags with her HUGE HAIRY GROWLER

TRIBUTE: Killer Rose West (*above*) and Bucks Fizz (*below*)

ACROSS Britain last night, millions joined in the festival of ironic shit-pop that is the Eurovision Song Contest.

The annual opportunity to laugh at the godawful caterwauling that passes for music on the wrong side of the Channel is enjoyed by young and old across the land.

And Eurovision fever even reaches behind the walls of Britain's grimmest prisons!

Because last night ladylags at Low Newton jail in Durham held their own Eurovision party – complete with various national dishes made in the prison canteen and lashings of fizzy pop.

But inmates almost brought back their sweet treats when the jail's most notorious inmate – House of Horrors killer Rose West – did a stomach-churning stunt.

A prison insider said: "Rose came dressed as Cheryl out of Bucks Fizz who, as we all know won Eurovision for Britain back in 1981.

"Bucks Fizz's stunt was for the guys to whip off the girls' skirts at the mid-song key change.

"Rose whipped off her skirts – and revealed she had NO PANTIES on underneath!

"Suddenly, her big hairy growler was on show for all to see.

"A few pubes sprang out and one landed in a prisoner's Hungarian trifle.

"It was a revolting sight and ruined the night for everyone.

"But nobody dared to say anything – Rose rules the roost with a rod of iron and if she wants to show off her big old mott, she'll do it."

Wrong slime of the month

A MAN caught furiously wanking on a bus told cops who arrested him: "It's OK – May is International Masturbation Month. I'm allowed to do this."

But the 45-year-old's explanation for his act of self-pollution cut no ice and he's been charged with public obscenity and fouling a public conveyance with bodily fluids in Sydney, Australia.

Cops throw Hinge and Bracket out of charity shop

HATE crime cops swooped on a charity shop and ordered them to remove a DVD from sale – because it featured a pair of cross-dressing comics from the 1980s!

Staff at St Jude's Hospice in Splint, Cumbria, were stunned when burly officers marched in and declared the £1.99 *Dear Ladies* box sex, featuring legendary duo Hinge and Bracket, was 'transphobic'.

Manager Joyce Watson said: "We could not believe it. Apparently, Splint Council's gender awareness and diversity co-ordinator Ken saw the Hinge and Bracket DVD and was 'very upset'.

"Ken's decided he's a woman, you see. I had no idea.

"I tried arguing with the police, but they said if I refused to remove the DVD from sale I could be charged with conspiracy to commit a hate crime ands could be jailed for five years."

We are not a-muesli-d

BARMY student bosses want MUESLI banned from their college canteen – in case it offends the SWISS!

Jancis Fetherington, head of compliance at the University of Sidmouth student union in Devon, claims eating the grain and fruit brekkie is "as bad as blacking up".

The 21-year-old prodnose said: "Here at Sidmouth Campus we are committed to eliminating all forms of cultural appropriation and that means we cannot be taking cultural elements the Swiss hold dear – in this case muesli – and reducing it to some westernised 'healthy eating' fad."

The college hit headlines last year after leeks and porridge were banned from menus as "examples of Anglo-centric appropriation of Celtic staple foodstuffs".

'JUST KEEP HIM AWAY FROM THE RED CARPET'

PREVENTION: Clinton Dennison has been told to stay away from celeb bash

STAR BOTS: (*l-r*) Alex Jones, Charlotte Riley and Eleanor Tomlinson

Bum-sniffing perv under house arrest over BAFTA threat

THE great and the good of the small screen will gather in London tonight for the annual back-slap fest of the television Baftas.

But one person who definitely WON'T be attending is notorious seat-sniffer Clinton Dennison – who is confined to his home after being slapped with a temporary ASBO.

Authorities won a court order confining Dennison, 35, to his home in Crewe, Cheshire, for the duration of the awards ceremony.

SUNDAY SPORT EXCLUSIVE
By SIMON DEAN
simon@sundaysport.co.uk

A source said: "Dennison is the number one menace to celeb arses. If he got anywhere near the Baftas, he would ruin it for everyone by snurfing around star bumholes.

"The order came down from above: 'Keep that Denison away from the red carpet at all costs!'

"It would look terrible on the TV cameras and simply ruin the red carpet photos. So we asked the court to issue the order to protect our celebrities' arses."

This year, stunnas including Claire Foy and Thandie Newton are up for gongs.

The awards are also regularly attended by telly royalty such as *One Show* beauty Alex Jones, and actresses like Eleanor Tomlinson and Charlotte Riley.

Our source added: "There would be some good bum-sniffing targets for Dennison on Sunday night. But if he's safely at home in Crewe, it won't be a problem."

Last night *Sunday Sport* learned that "up to a dozen" security staff – all ex-members of elite special forces' regiments – will be on hand in case Dennison breaches his order.

DOC IN SHIT OVER DEAD NAKED TEEN

A DOCTOR is in the shit after a teen would-be model dropped dead at his house during a boozed up sex 'n' drugs party.

Olya Langille, 18, died of an accidental overdose after taking a cocktail of fentanyl, cocaine, Xanax and ecstasy.

Her body was discovered at Dr. Naval Parikh's apartment in Fort Lauderdale, Florida.

Parikh, 41, who works at Broward Health's emergency room, told investigators he met the teenager at Blondies, a sports bar, where they had a few drinks and went back to his place.

The two then proceeded to "snort cocaine, smoke marijuana

and had consensual sex" at Parikh's pad before they both fell asleep.

The doctor told investigators he left the bed to sleep on the couch around 3am because Olya was snoring.

However, at 9am he called authorities after he found Langille unresponsive.

Investigators found "several small zip-lock bags containing suspect cocaine and/or heroin, and a suspected drug pipe" in a nightstand of the doctor's master bedroom where Langille was found dead in the bed.

She was also naked.

Fort Lauderdale police said they do not suspect foul play was involved in her death.

A medical source said last night: "When you're a doctor and a dead, naked teen turns up at your apartment, that doesn't look very good. Not at all."

Old school sex pal was dirty faker

A MAN tricked a woman into sex by convincing her they were school classmates – then persuading her blindfold herself before doing the deed.

Michael Kelso-Christy (*above*), 23, set up a fake Facebook account, using the name of the woman's high school classmate. He messaged her, and they began an online conversation.

After the messages became sexual, the woman agreed to a sexual encounter.

She would blindfold and restrain herself, and the man would arrive at her home.

Afterwards, she grew suspicious, contacted former classmates and went to cops when she realised she'd been had.

Kelso-Christy was convicted of burglary with intent to commit sex abuse.

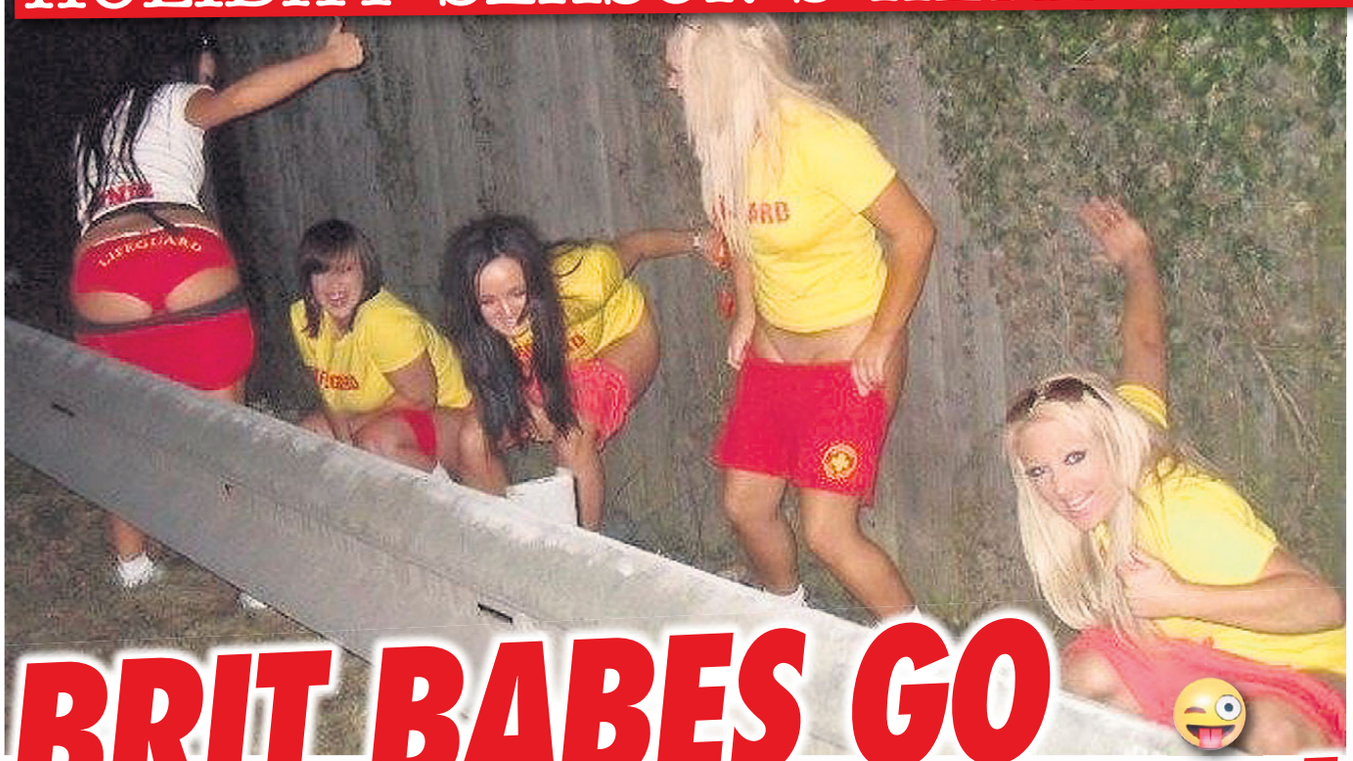
HOLIDAY SEASON'S HERE AND T



BRIT BABES GO BONKERS ABROAD!

IT'S been warm here in the UK recently, but things are REALLY hotting up in the Med – and we don't just mean the sunshine!

From Ibiza to Turkey, the summer season is waking up and – for the young, free and single not tied to school holidays – there are some great early-season deals to be had.

And all the money the revellers save on the holiday can be spent on cold ale!

Add Brit babes to lashings of ale and hot sunshine and you only get one result – sexy MAYHEM!

While cheap 'n' cheerful resorts like Magaluf may be attempting to go upmarket and crack down on boozy behaviour, we all know the booze 'n' boobs formula is well and truly out of the bottle.

So the chances are that 2018 will be just as raucous as any of the previous years – whatever the mayor of Magaluf says!

To celebrate the birth of a new holiday season, we've pulled out some of the best bits from summers past that had blokes drooling into their sangria.

Travel expert Chalmers Probert, of the University of West Lancashire, said: "Although the Spanish authorities make noises about 'cracking down', Brit tourists bring in millions and the resort owners don't want to kill the goose that lays so many golden eggs."

HAT MEANS...

18 months' jail for vile dog bonker

A SICKO has been sentenced to 18 months in prison for shagging a dog.

Matthew D. Allen, 36, was also banned from owning dogs for the rest of his life.

The case began in July last year when police in of Gillespie, Illinois, received a complaint that Allen posted a video on Facebook showing a man performing a sex act on an Alsatian.

They found out Allen (*above*) owned such a dog and his tattoos matched those of the man seen in the video.

He was charged with sex with an animal and pleaded guilty in February. A judge announced sentence last week.

Allen was ordered to surrender himself to the sheriff's office on or before May 29.

The judge thanked the police and the work of Animal Control workers.

Teens' nude wet games warning

TEENS have been warned by cops against taking part in a new craze – NAKED water pistol fights!

The game – called "Paranoia" – involves teams tracking each other across the city of Franklin in Wisconsin, and attacking with water pistols. If someone's clothes get wet, that player is out of the game.

If you're not wearing clothes, you can't be eliminated, according to the rules. So the fun-loving teens play naked.

In a Facebook post, cops said Paranoia has caused reckless driving, suspicious persons or vehicles, prowling and public nudity.

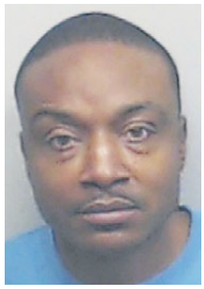
Sgt. Jeremy Fadness of Franklin police said: "A pervert sees a 15-year-old girl running naked down his street, what do you think his reaction's gonna be? Ain't gonna go back to his crossword, is he?"

BEAST KILLED WOMAN, 60 – THEN HAD SEX WITH HER CORPSE

VILE Wallace Muhammed broke into a 60-year-old woman's motel room, beat and strangled her to death – and then had SEX with her still-warm CORPSE!

The psycho then set fire to the body in the bathtub to try and get rid of evidence of his wicked crime.

But justice caught up with the unwaged drifter and he's been convicted of murder, aggravated assault, necrophilia, burglary and tampering with evidence.



Muhammed, 48, had broken into Linda Jarrard's room by removing a window pane, reaching in and unlocking the motel room door.

Screamed

He initially told cops he'd believed the room was empty and that he was only there to seek shelter.

Ms Jarrard screamed when she discovered the intruder and threatened to call police, but Muhammed attacked her and began hitting her, causing a brain hemorrhage.

He then began to choke her, using so much force that a bone in Jarrard's neck broke. She died as a result of the strangulation.

Muhammed then had sex with Jarrard's corpse and then took her body into the bathroom to burn it. He then fled the hotel room. The owner of the Town and Country Motel in Atlanta, Georgia foundd Jarrard's body and called cops.

Muhammad's DNA waas found at the scene and under the victim's fingernails. When confronted with evidence that he committed the crime in April 2013, Muhammed confessed but he entered a not guilty plea before going to trial.

He was last week was convicted and sentenced to life without the possibility of parole, plus an extra 40 years for good measure.

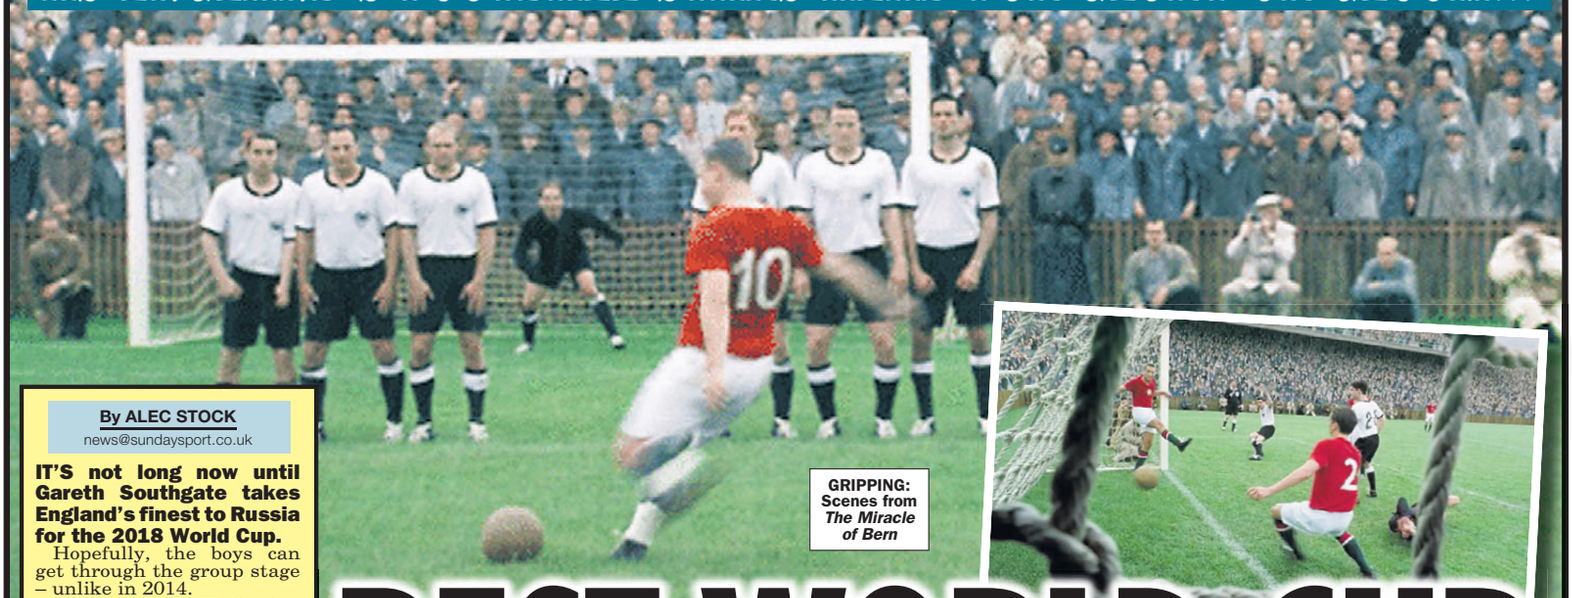
AS ENGLAND'S FOOTBALL STARS HEAD FOR GLORY OR GLOOM...



GRIPPING: Scenes from *The Miracle of Bern*

BEST WORLD CUP MOVIES EVER

By ALEC STOCK
news@sundaysport.co.uk

IT'S not long now until Gareth Southgate takes England's finest to Russia for the 2018 World Cup.

Hopefully, the boys can get through the group stage – unlike in 2014.

It all kicks-off for England on June 18 with their first match against Tunisia.

But before all the excitement and entertainment on the pitch, there is a fantastic new movie out called *Hooligan Escape*.

The film is one in a long line of movies that have weaved their stories around the World Cup – dealing with different aspects of the event.

So, in celebration of the DVD release of the brilliant *Hooligan Escape*, we take a look at some of the other quality movies that feature the world's greatest sporting tournament...

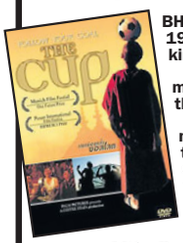
THE first of these is *Cup Final* from 1991 – an Israeli film set during the 1982 Lebanon War.

It sees an Israeli Defence Force soldier, Cohen, taken hostage by the Palestinian Liberation Organisation.

To add insult to injury, Cohen had tickets to that year's World Cup Final in Madrid.

Against the odds, the enemies soon discover that they all share a love for the beautiful game and support the Italian team – who won in '82.

Although the film focuses on the power of football bringing people together, sadly the Israeli national team have only qualified for the World Cup once, in 1970.



BHUTANESE film *The Cup* was released in 1999, and like *Cup Final*, it's not your typical kind of sports film.

Based on a true story, it follows a Tibetan monk's quest to bring World Cup football to the unlikely setting of a Buddhist monastery.

***The Cup* shows us a lifestyle that's a million miles away from us here in Britain – the life of oppressed Tibetan monks may not seem like the stuff of comedy, but this is a funny and engaging film that is well worth tracking down.**

MORE well known is the 2001 comedy *Mike Bassett: England Manager*.

Full of inside jokes, this is a film for those who eat, sleep and breathe the game and stars British comedy great Ricky Tomlinson as Mike Bassett, manager of Norwich City.

After the unexpected heart attack of the current England manager, Mike somehow finds himself in the top job – one he is woefully underqualified for.

What follows is a funny stream of disaster and chaos as Bassett tries to lead the national team to World Cup glory.

BACK in 2003 we saw another World Cup film that was a little more serious.

***The Miracle of Bern* follows a young working-class lad in post-war West Germany, who struggles in his relationship with his father who has just returned from a POW camp.**

One of the boy's pals, meanwhile, is playing for the West German team at the 1954 World Cup in Switzerland.

The on-screen football here is great and the finale was recreated using real players from the German Football Liga.

IN 2006 footie fans were treated to the release of *Offside*, an Iranian film from director Jafar Panahi.

It follows a group of football loving girls who try to attend Iran's 2005 World Cup qualifier against Bahrain.

Unfortunately, this is in a country where women are banned from entering the stadium. It's a serious topic but the film is actually an effective comedy.

It was filmed at the actual qualifier (which Iran won) and the celebrations you see on screen are real.

Sadly, the film itself was banned from screens in Iran.

THERE had to be a film from Brazil in an article on World Cup films, surely?

The 2006 movie *The Year My Parents Went on Vacation* tells the story of a 12-year-old Jewish boy, Mauro.

It's set in 1970 – the year of Brazil's legendary victory in Mexico – and shows the political tumult of the era through the eyes of a young boy who can only think about getting to see his heroes go up against Italy in the now-legendary final.

THE flick *Africa United* gave us a glimpse into another corner of the world in 2010.

The film, from English director Debs Paterson, follows five children from different backgrounds, as they travel 3,000 miles from Rwanda to reach the 2010 World Cup in South Africa.

Despite covering weighty topics, like HIV and child prostitution, it's a light and uplifting film and well worth a watch.

STAR: Ben Freeman plays Ed Leighton

NOW to 2018, and this summer must-see release of *Hooligan Escape*.

In the film, five football fans have a violent encounter with a group of Russian hooligans at the European Cup.

Their fight leaves one man dead and adds a vengeful Russian with an axe to grind.

Two years later, former SAS man Ed Leighton and four of his best mates travel to the World Cup in Russia, hoping for a trouble-free tournament, but the Russians have other ideas...

Herded into a Russian prison and dragged to an unknown secure location, Ed and his mates battle find a way out.

It's a terrifying scenario – full of action and violence, in scenes we all hope will not be echoed in real-life this summer.

If you're travelling to Russia, have a good 'un. Come on England!

Petrol nut barbecues sex nonces

AN arsonist yelled: "Barbecue the pervs!" before throwing petrol over a motel used to house nonces, in an attempt to burn the place down.

Jorge Francisco Porto-Sierra, 50 (*below*), faces four counts of attempted murder in connection with the incident at the Friendly Village Inn & Motel in Kissimmee, Florida.

He faces several other charges, including multiple counts of assault with a deadly weapon, aggravated battery and false imprisonment.

Witnesses say the suspect was carrying a cigarette and shouting threats such as: "I'm going to kill you, child molester," during the incident at the motel.

He also poured petrol into a car after ramming it with his own vehicle.

Porto-Sierra is in custody at the Osceola County Jail.

A SEX health clinic in south London has been forced to pulp 50,000 leaflets which used the "sexist" expression "tradesman's entrance" to refer to the arse.

Last night *Sunday Sport*'s Head of Vision, Mark Tate, said: "I have studied this picture for many hours, using the best technology available.

"And I can confirm this image has not been tampered with – either physically or digitally.

"The implications of this are, quite simply, IMMENSE."

10 things you might not have known about... EUROVISION

WELL, did you watch it, the annual farce that is Eurovision?

Millions tuned in to watch a bizarre parade of tin-eared hopefuls either let their countries down or get gutted by politically motivated judges.

Well known as one of the most hilarious things to have come out of Europe, here are 10 things you may not know about the famous talent contest...

1 THE first Eurovision Song Contest took place in 1956 in Switzerland. The Netherlands, Switzerland, Belgium, Germany, France, Luxembourg, and Italy took part. Switzerland cheated and won. Britain wanted to take part but its application form "got lost in the post"

2 A WHOPPING 95 per cent of the Danish viewing public saw the 2001 contest on TV – the highest percentage in Europe.

3 IN 1978 Jordan showed some flowers instead of the Israeli entry on their screening of the show. When Israel went on to win they pretended it was Belgium.

4 ROMANIA'S 2016 entry was disqualified because the Romanian state broadcaster Televiziunea Român had tried to get away with not paying for Eurovision coverage.

5 VELCRO sold out across Britain within 48 hours of Bucks Fizz's 1981 'skirt ripping' routine.

6 UNITED Kingdom gave zero points to ABBA (*above*) in 1974. Whatever became of them?

7 IT is not allowed to have more than six people on stage (including backup singers and dancers). Until Eurovision 1971 the limit was three.

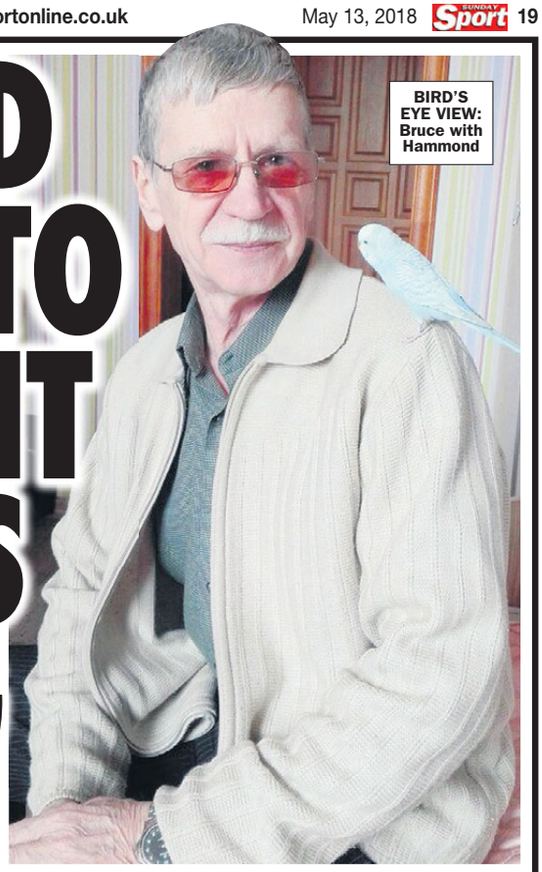
8 NORWAY holds the record for coming last on the most occasions. They got the wooden spoon nine times: 1963, 1969, 1974, 1976, 1978, 1981, 1990, 1997 and 2001.

9 WHEN Ukrainian singer Ruslana won Eurovision in 2004, she was rewarded with a seat in Parliament.

10 THE previous year's winner hosts Eurovision but it's so expensive that nations have pleaded poverty to get out of it. The countries who have opted out include the Netherlands, France, Monaco, and Luxembourg. As usual, the UK stepped in to sort out the Europeans' mess.

OAP TRAINED HIS BUDGIE TO FILM STUDENT NEIGHBOURS UNDRESSING

Tiny camera strapped to bird's head



BIRD'S EYE VIEW: Bruce with Hammond

YOU can't teach an old dog new tricks, or so the saying goes...

SUNDAY SPORT EXCLUSIVE
By SIMON DEAN
simon@sundaysport.co.uk

But OAP Bruce Burton has taught his BUDGIE to do a lot more than just eat cuttlefish and shit on sandpaper in its cage.

For the sassy senior has trained his pet bird Hammond to carry a tiny camera strapped to its head – and hover outside his student neighbours' bedroom and bathroom windows.

Ex-swimming instructor Bruce, 79, said: "Hammond brought back some great film of Antoinette – she's the 18-year-old French exchange student – getting undressed.

"He kept the camera so still I could see every detail of her panties as she slipped them down to reveal the downy mound of her teen Gallic snatch.

Intimacy

"He even managed to keep aloft long enough to capture Antoinette cheekily sliding a slender finger between the lips of her fresh intimacy.

"It was great camera work. Real top drawer stuff."

Bruce said his brainy budgie also managed to get footage of another student neighbour, 18-year-old Jenny, engaged in "rather energetic copulation" with her teenage boyfriend.

The widower, from York, smiled: "I imagine these girls leave their curtains open as we're not overlooked at the back.

"That allows Hammond to get a really good view.

"When he brings back something quite special, I give him some extra seed, as a treat. It's only fair."

Last night Jenny and Antoinette struggled to share Bruce's delight in his pet bird's camera skills.

When *Sunday Sport* told them of Hammond's talents, there was some screaming and "the f**king police" were mentioned, repeatedly.

Pope fury at priest's Ri-Ri Vatican tug

A SENIOR cardinal in the Catholic Church faces the Inquisition after he was caught WANKING over pics of Rihanna dressed as the POPE at a posh New York bash.

The fancypants Met Gala is held each year to raise funds for the Metropolitan Museum in New York, and is known for its wild dress code which sees celebs venturing out in the most extravagant outfits.

This year's theme was 'Heavenly Bodies: Fashion and the Catholic Imagination' – and the stars didn't disappoint.

Pop beauty Katy Perry came dressed as an angel, while former *Sex and the City* actress Sarah Jessica Parker depicted the birth of Jesus on her head.

Singer Rihanna was hosting and turned up dressed as the Pope, wearing a Maison Margiela Artisanal Gown and clerical mitre by designer John Galliano.

And it was this outfit that apparently aroused the unnamed cardinal.

A Vatican source said: "It's quite inappropriate for a prince of the Church to be masturbating in the Vatican – never mind masturbating over pictures of a woman dressed as his boss!

"The Inquisition will be informed and the cardinal will be punished."

IT'S been quoted by US presidents, gave us the phrase: "Eat my shorts," and made Homer, Marge, Bart and Lisa household names.

And last week *The Simpsons* even found itself at the centre of its own race storm after suggestions that Indian corner shop owner Apu was a "racial stereotype".

Now the long-running cartoon series has passed another milestone.

Fans have enjoyed 636 episodes since it first aired in December 1989 – making it the longest running prime time scripted series ever.

The Simpsons has also attracted some top talent as guest voices.

Door knocker nicked in buff

A LOON was nicked after he was found stark naked, violently beating on a neighbour's door and demanding to have sex with the terrified man's wife.

When cop Phil Story arrived on the scene in Ozark Acres, Arkansas, he found Keith Crozier, 54 (*above*), still fully nude and agitated at the neighbour's door.

Story ordered Crozier to show his hands but Crozier did not comply and proceeded to beat on the door, claiming he was there to have relations with the homeowner's wife.

Crozier was then Tasered, cuffed and hauled off to the police station, on several charges including public sexual indecency.

ORAL SEX ADDICT

REHAB boss David Perry, 57, was nicked after letting addict patients have booze and drugs at the facility in Boston, Massachusetts – if they sucked him off!

DEANO ON SUNDAY

Let's crucify the scum who soil our beauty spots

F**K ME! There are some f**kwitted scum living in this great nation of ours.

And I mean SCUM!

Last weekend, you may have noticed, was rather nice.

Millions flooded out to the coast and into the countryside to enjoy that rarest and most precious of things – a nice day.

A hot, sunny day.

And then, the Bank Holiday was over and everyone went home… leaving MOUNTAINS of trash on beaches or in the countryside.

It takes a certain type of cretin to visit somewhere to enjoy the scenery – then spoil that scenery by dumping rubbish all over it.

There are not that many things which make me angry.

Really angry.

Other people like to jump up and down about the NHS, or schools, or trannies, or whatever f**king issue is trending on c**ting Twitter that particular second.

I get red-faced f**king fuming vexed at mouth-breathing morons who strew their filth all over England's green and pleasant land.

What gives you the F**KING RIGHT to pollute the finest landscape on God's Earth?

There's enough of this country that's been spoiled already –

concreted over by crime-ridden cities or sterile suburbs.

The countryside is precious. It's something that belongs to us all.

If you went down to London and smeared your shit over the paintings in the National Gallery you'd be locked up.

England's countryside is more beautiful than any painting.

So we must NOT allow it to be ruined like this.

Taking your trash home is not bloody difficult.

You brought those wrappers with you when they were FULL, for Christ's sake.

And don't blame the f**king council either!

If "Oh, the council will pick it up", is your excuse for dropping litter, you need re-educating…

By having your litter-dropping hands smashed f**king flat with hammers.

And as for fly-tippers?

We can learn how to deal with them from the pages of antiquity…

Crucify the c**ts.

Sounds harsh, I know…but f**k 'em.

If you're dumb enough to scatter rubbish over our beautiful country, you're too dumb to enjoy the privilege of living here.

SWANSEA BABE'S NOSH PROMISE

IF SAINTS LOSE BY 9 GOALS, I'LL SUCK THE WHOLE TEAM OFF!

17	Southampton	37	-18	36
18	Swansea	37	-27	33

TODAY will be a tense time for every Swansea City footie fan.

Not only do the Swans HAVE to win their last match of the season, against going-down Stoke City, but they also have to surmount a NINE GOAL deficit with Southampton.

But miracles CAN happen in the beautiful game.

And devoted Swans fan Myfanwy Jones is hoping to give that miracle a bit of a nudge by taking one for the team…

Well, by taking ELEVEN for the team, to be precise!

For the pretty Port Talbot nursery nurse has offered to SUCK OFF every Saints player if they throw Sunday's game – to the tune of NINE goals.

The 23-year-old babe told *Sunday Sport*: "I know it's a big ask and that if I get my way, every Southampton fan would blow a gasket, but it would be terrible if, after seven years in the Premier League, Swansea went down a division.

"So if Saints lose by nine goals, I'll suck off every player. To completion. And I'll swallow.

"I'll show my tits, too. But no anal.

"I really just want to give Swansea a fighting chance of staying up."

Myfanwy's 25-year-old boyfriend Alwyn said he was "fully supportive" of his girlfriend's bold move to bring joy to the Liberty Stadium – although he appeared to have been drinking heavily.

Last night a source at Southampton's club called the oral offer, "interesting".

Whose boobs are they anyway?

WHY so shy, Hayley?!

The busty Essex babe's hubby Steve sent us this snap of his gorgeous wife.

But, unfortunately, her face is missing from the smashing picture.

Still, her boobs are pretty fantastic!

Hayley admits: "I love sending him these pics to Steve when he's at work. He has hundreds on his phone.

"When I send him one of these pictures he always rushes back home!"

MISS TEXTED 'BUM ME' TO TEEN LOVER'S DAD!

MISTAKE: Kinky Miss begged for anal sex romp with teen lover

A TEACHER who was shagging a pupil was caught out, when she sent a raunchy "DO ME IN THE ASS" – American for "BUM ME" – message to the FATHER of her teen lover.

Tiffany Marie Ranweiler-Oblander, 29, had meant for the anal sex invite to go to the school football team captain aged 15 with whom she was having an illicit affair.

Banned

But she accidentally sent the message to the boy's father, whose name was next to his son's in her phonebook.

Ranweiler-Oblander was arrested and charged and she admitted having engaged in sex acts with the student at least four times.

The busty miss – who is married – has been placed on administrative leave and her name removed from the website of Crestwood High School in Lime Springs, Iowa.

She has also been banned from entering school grounds or contacting the student.

Ranweiler-Oblander, who pleaded not guilty, is set to appear in court this week. If found guilty, she could face up to five years behind bars.

A police source: "I imagine this woman would say it was bad luck she sent this request for sodomy to the wrong person.

"To that I say, 'no sir'. I would not call it bad luck – I could call it justice! We don't want none of them un-Godly acts around here."

Curvy Chantelle had an arse-lift procedure at Serene Cosmetic in Marbella, owned by Lois.

THEY always say you remember your first time...well, we've taken to the streets to find out if it's true.

Each week Britain's babes will spill the beans on when they popped their cherries – and share the spicy details of some other first-times, too!

Here we delve into the sexy secrets of two saucy stunnas from Crewe...

AGE: 21
FROM: Crewe
OCCUPATION: Interior designer
FAVE DRINK: Cosmopolitan
FAVE FOOD: Chinese
FAVE FILM: The Hunger Games
FAVE ACTOR: Liam Hemsworth
FAVE HOLIDAY: Venice

LUCY GARNER
AGE: 21
FROM: Crewe
OCCUPATION: Personal trainer
FAVE DRINK: Gin and tonic
FAVE FOOD: Italian
FAVE FILM: Pretty Woman
FAVE ACTOR: Dominic Cooper
FAVE HOLIDAY: Ibiza

FIRST SEX

LUCY: I was going out with this really fit guy for three months when he asked me to sleep with him. I wanted it to be really special, so I got dolled up in my favourite dress and bought some new underwear, but it turned into a disaster when I did a massive fanny fart in his face.

He was going down on me when this huge noise suddenly came out. I was mortified. He didn't seem to mind so much and carried on, but I was so worried about doing it again that I couldn't relax and the sex was rubbish.

REBEKAH: I don't think any girl fully relaxes during their first time, unless they're really drunk.

I was disappointed when I lost my virginity too. I thought it was going to be amazing, but I felt a bit cheated in the end.

I was going out with a guy who was a few years older than me and had already had sex with about five women, so he knew what he was doing.

He told me the best position to do it the first time was doggy, so he bent me over his parents' dining room table.

I really didn't enjoy it at all and I still don't like doing it doggy to this day.

FIRST CUNNILINGUS

LUCY: I thought I was going to pee myself the first time a bloke ate me out. It was amazing, definitely my favourite sex move.

We were in the back of my fella's car, it was a bit awkward, but he had this amazing technique that just made me putty in his hands. Even on the first time he managed to make me cum twice.

If I had to choose between normal sex and oral, I'd choose to get licked out every time. I don't think you can beat it.

REBEKAH: I know what you mean, but if I'm not careful I end up ejaculating and it's not every bloke's cup of tea.

It even happened the first time I did it. I was horrified, I really thought I'd wet myself, and so did he. Luckily, we laughed it off.

A few days later I was reading an article about female ejaculation and I realised that's what happened to me. I told my fella and he was cool about it.

FIRST TIME BUM FUN

REBEKAH: I had a one-night stand with this really hot guy from London and he talked me into giving it a go.

Luckily, he had a nice sized willy, not too big, so with a bit of lube it slipped in quite easily.

I was surprised at how much I enjoyed it. I wasn't keen at first, but I wanted to impress him.

It definitely touches a spot that regular sex doesn't. I've done it a couple of times since, with men with bigger dicks, but it's never been as good as the first time.

LUCY: My current boyfriend is really into anal. Anytime he watches porn, it's got some bird in it getting shafted up the backside.

I'm quite into porn myself, so I didn't mind watching it with him, and one time I got the urge to give it a go.

My fella had jokingly asked me for anal before, but I didn't feel ready. Then after a couple of Cinzano's I thought, 'why not'.

He's only got quite a small willy, but really knows how to use it so it didn't hurt at all.

In fact, I'm really glad he's not hung like a donkey because it means we can have lots of bum fun, which I now love. We probably do it about once a month.

FIRST MASTURBATION

LUCY: I was masturbating before I had my first boyfriend, so I kind of knew what to expect when he first started rubbing me down there.

I've always had quite a high sex drive and used to get really randy when I was in bed, especially in the mornings. The first time I was watching *Pretty Woman* in my room and started to feel quite turned on during the sex scene.

I was a bit hesitant, but as soon as I started touching myself it felt great.

I was a bit surprised when I started cumming, I wasn't sure what was happening. But it felt amazing.

REBEKAH: I was at uni the first time I got myself off. One night we all got pissed and started talking about sex.

One girl even admitted she masturbated every day. I was quite shocked, I didn't think women really did it, but everyone else seemed to. So the next morning I woke up and decided to give it a go.

I made myself climax three times in a row and the next week I went out and bought a vibrator.

> "I gave boozed-up 'boyfriend' a BJ – only to find it was his twin brother"

FIRST BLOWJOB

REBEKAH: The first time I went down on a guy was out of pity. I'd been on a blind date with this lad and it was a disaster.

He was really boring and just kept going on about this girl he really fancied who was going out with his mate.

Then after a few drinks he kept telling me how gorgeous I was and how he knew I wouldn't let him down like that.

On our way home he grabbed me and started snogging me. But he was a good kisser, it was the best part of the night.

Then he told me how he'd never had sex or even a blowjob. I have no idea why but I ended up going down on him behind a supermarket and avoided him for weeks after that.

LUCY: I gobbled my boyfriend's twin by accident! I'd been seeing this lad for a few weeks and it was getting quite serious.

One night his parents held a house party. I was pretty drunk and when my fella went upstairs I decided to follow him and give him a pleasant surprise.

I went into what I thought was his bedroom and found him almost passed out on the bed, so I unzipped his pants and started sucking him off.

It was only after he'd cum in my mouth that he said something and I realised it was his identical twin.

To be fair, he didn't know I was seeing his brother as he'd been away at uni. We were both really embarrassed afterwards and made it our secret.

FIRST TIME OUTDOORS

LUCY: The first time I shagged outdoors was at a theme park! I think it must have been all the adrenaline from the rides because I was feeling so horny.

It was a gorgeous day, so I was wearing a short skirt, which admittedly was a bit of a daft choice for going there, but it meant easy access for my fella.

At the end of the day, there was hardly anyone left in the park. We found this path behind one of the rides where no-one could see us.

I had my back against the fence, my boyfriend slipped my knickers off, gave me a quick lick out and then entered me.

It was over in minutes, but I had an awesome orgasm.

REBEKAH: I'm still shocked I didn't get caught when my fella and I shagged under a picnic blanket in a park.

It was one of those National Trust places, but there were quite a few people around, including a guy who was mowing the lawn.

We'd gone for a romantic day out, but it turned a bit dirty when he put his hand under my skirt and started rubbing me.

We wanked each other off for a bit before pulling the blanket over us and f**king. I was really excited and got so turned on.

TOMMIE JO: I LIKE IT HOT!

By WENDY THOMAS
news@sundaysport.co.uk

TASTY Tommie Jo loved last weekend's warm weather – as she's a massive fan of outdoor sex!

The 27-year-old said the thought of getting down and dirty outside is enough to make her all HOT and sweaty.

And the busty 32G stunna added: "Having sex outside is amazing and just the thought of getting caught is a real turn-on for me.

"I don't know what it is, but a secret of mine is that when the sun comes out I always feel so horny.

Tommie, from Romford, Essex, admitted: "I get SO wet."

LEGENDS OF PORN

PART 3 EMMA BUTT

EMMA Butt was born in Bognor Regis in 1985.

And the most famous thing about that West Sussex town is that King George V's last words were reputedly "Bugger Bognor".

Which is quite appropriate – as melon-heavy Emma is one of the world's premier ANAL sex queens.

The 36H stunna just LOVES it in the bum and is never happier than when one young stud is prodding her shaven snatch with his prong while another pummels her tight balloon knot until she gets a double serving of scalding hot spunk.

Emma now qualifies for the MILF market and some of her more recent films have her showing 18 and 19-year-old porn studs exactly how to handle a real women's pussy!

Emma also takes part in "specialist" videos – including domination, smoking fetish and pissy-pants watersports.

Here's to Emma!

FINGERS at the ready, folks – voting is now officially open for the annual SHAFTA awards.

One of the steamiest categories in the poll has to be Best Sex Scene.

You can vote for YOUR favourite at *SHAFTA.xxx* or via SMS.

The nominees are...

A filthy foot-f**king in ***ANGEL LONG'S FOOT ADDICTS***.

Big-boobed Roxi in her sussies and red stockings cuts the ends off them to reveal her painted toes. Angel sucks them and f**ks her tight pussy with her foot while yelling "I'm wiggling my toes in your c**t".

A freaky three-way in ***BETWEEN THE SCENES***.

They were supposed to abstain from sex the night before the big scene but Max shafts Candi and Michelle, f**king their holes and draining his balls over their tits. Will he have enough spunk left for the next day?

A political poling in ***HARD BREXXXIT***.

On a trip to The White House, Teaser strengths her 'special' relationship with Tronald Dump.

A newbie initiation in ***BREAKING BAD BITCHES***.

Pascal bags himself a skinny 22-year-old Rhiannon. She may be a porno virgin but this blonde is a sex fiend, choking on his dick and cumming hard.

An interracial love-fest in ***BRIT CHICKS LOVE BLACK DICKS***.

Alessa needs two black dicks to satisfy her so she demands a spit roast... and gets it – hard!"

A funky f**king in ***SATURDAY NIGHT BEAVER***.

A pretty wild scene that concludes with an energetic arse f**k on the dancefloor.

A monster gang-bang in ***SOPHIE ANDERSON PUSHED TO HER LIMITS***.

Sexational Sophie takes on 22 men and manages the messy mayhem...somehow!

SMS Votes charged at £1.50 per vote plus your standard network charge. Voting closes at 12am on 30/06/18. To refuse marketing messages, end SMS with NO INFO

CHIKITA'S GOT A WILD SIDE!

NAUGHTY Chikita says she LOVES wearing kinky PVC and fetish gear.

That's why she had a whale of a time in this photo shoot!

And the busty 32FF babe revealed she gets incredibly turned on knowing that *Sunday Sport* readers are daydreaming about her *Fifty Shades* side.

The 27-year-old model, who hails from the Czech Republic but now lives in Essex, said: "It's the whole role playing thing. If you dress up, you can be more wild.

By GRACE HOOPER
news@sundaysport.co.uk

"You can let all your inhibitions go – like playing a character."

Chikita also said she'd love to appear in her own live-streaming porn film.

She said: "My ultimate fantasy would be to have crazy sex with my boyfriend – knowing people were watching us!

"Streaming it live would be really hot, as it's so in the moment.

"I'd feel like a big porn star!

THURSDAY

Horror Channel, 2.35am, *Frankenhooker* – THE giant lesbian orgy at 36 minutes is worth a watch (*right*) Boobs, bum, bush, lesbo action. Warm up that goose fat beforehand, folks!

PICK

TODAY

MONDAY

Innocent – ITV, 9pm

NEW series. David Collins is unexpectedly acquitted on a technicality having served seven years of a life sentence for the murder of his wife Tara.

On the steps of the court, he vows to bring to book those who lied at his original trial, to see the real killer jailed and more importantly, to regain custody of his two young children.

Drama, starring Lee Ingleby off of Inspector George Gently and Hermione Norris off of *Spooks*.

Surgeons here are bloody marvels

Heart Transplant: A Chance to Live – BBC2, 9pm

DOCUMENTARY following a group of seven patients at Newcastle's Freeman Hospital who range in age from eight months to 56 years old and who are all in desperate need of a new heart.

The film shows how a new process called ex vivo perfusion means organs can be sourced from much further afield, immediately widening the donor pool, and also means doctors have much more time to assess an organ's function, removing the risk of a post-transplant failure.

OF THE TELLY

By BARNEY SAMUELS

Wolves pack a big punch

***Live Challenge Cup Rugby League: Toronto Wolfpack v Warrington Wolves* – BBC2, 3pm**

TANYA Arnold presents coverage (kick-off 3.30pm) of the sixth-round contest, which takes place at Halliwell Jones Stadium.

This is the Wire's first-ever meeting with the Canadian side, who are flying high in the Championship despite their season being organised into blocks of home and away games to avoid repeated journeys across the Atlantic.

Paul Rowley's men are expected to face a step up in class here against the Wolves, currently looking strong.

***British Academy Television Awards 2018* – BBC1, 8pm**

SUE Perkins hosts the awards ceremony from London's Royal Festival Hall because the Beeb have to reward her loyalty for not jumping ship with *Bake Off*.

The shows in the running include *Black Mirror*, *Line of Duty*, *The Crown* and *Three Girls*, while nominees for awards include Joe Cole, Thandie Newton, Claire Foy, Molly Windsor Brian F O'Bryan, Anna Friel, Julie Hesmondhalgh, Samson Kayo, Anupam Kher, Jack Rowan and Sandi Toksvig.

John Motson, will receive the BAFTA Special Award in recognition of his contribution to sports broadcasting.

***Atlanta* – BBC2, 10pm**

NEW series about rappers. My neighbours' son likes rap music so I've heard it a lot at all hours of the day and night and, quite frankly, I think it's shite.

But this series has got rave reviews over in Americaland.

Earnest 'Earn' Marks is broke, out of luck and living with his ex-girlfriend and their daughter, so when he learns that his cousin Alfred is on the verge of rap success under the name of Paper Boi, he sees an opportunity for both of them.

Comedy drama, starring Donald Glover.

TUESDAY

***The Windsors Royal Wedding Special* – C4, 9pm**

AS the comedy returns to celebrate the royal event, Harry and Meghan are excited about their impending marriage.

However, before their big day, they must take Charles to America to meet Meghan's mum, Doria.

No knighthoods for Channel 4 bosses, then. Which is probably just as well, as C4 News leftie Jon Snow probably doesn't speak to anyone with a knighthood. Tiresome Red bore.

With Harry Enfield, Richard Goulding and Kathryn Drysdale.

***Intercity 125: The Train That Saved Britain's Railways* – C5, 9pm**

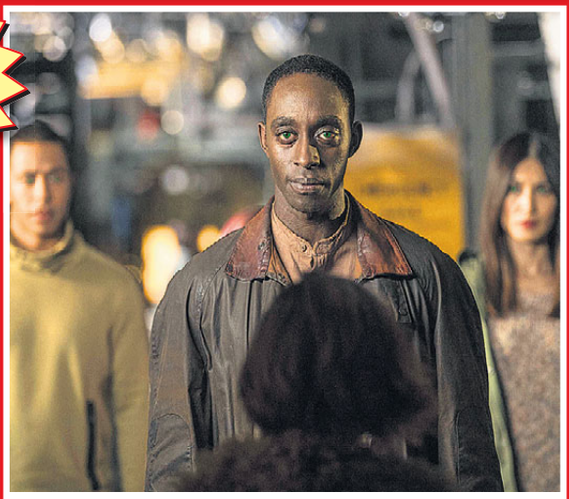
ONE for the train fanatics here – and I know you're out there.

Documentary examining the high speed train, a vehicle which saved the world's oldest railway network when the Intercity 125 debuted back in 1976.

Celebrities including Prue Leith, Peter Purves and Pete Waterman (*left*) offer their memories of one of Britain's favourite trains.

Peter Purves – bloody hell, I had no idea he was still going!

DON'T MISS THIS!!!



***Humans* – Thursday, C4, 9pm**

RETURN of the sci-fi drama. One year after the dawn of consciousness, Max, Mia and Flash are living in a designated area known as the Railyard as they try to broker peace with the human world, while Laura fights for basic rights for Synths. But a job offer from an unexpected source could help her bring her message to a larger audience.

Meanwhile, Niska is living with Astrid and passing herself off as a human and Mattie is reeling from the guilt of releasing the consciousness code upon the world.

THE WORLD FAMOUS AGONY Page

Dear Tess,

A MATE introduced me to bell ringing which I always thought was as boring as f**k.

I did it for a few weeks and was about to knock it on the head when a stunning brunette joined us.

My interest was reawakened and one night as we walked home together she asked me if I wanted to lie on the grass with her.

She soon unleashed my cock and sucked me off until I came in her mouth – and she swallowed the lot.

She hasn't been back to ringing practice since.

Did I do something wrong?

DB, Lincs

Tess says...
IF you have a number for her then give her a call. But maybe you just don't ring her bell.

Dear Tess,

MY husband and I have tried and enjoyed many different things in our adventurous love-making.

Recently we decided to try some kinky bondage games but they all turned out to be a painful disaster.

My husband insisted on me playing the role of the dominating lady, and I set about tying him up.

Unfortunately the only cord we had at hand was a length of plastic clothesline, which made his wrists sore.

Next I stuffed a rolled-up pair of tights into his mouth to work as a gag, but I used too much force and loosened one of his teeth.

Finally my long-suffering lover urged me to lash his backside with a belt. But I picked up the wrong end, and the buckle gashed his buttock.

Now we've decided to abandon the bondage game.

NR, Kent

Tess says...
TRY watching some S&M porn together – you'll see how the experts handle things more safely.
